**Budget Workshop:**

Supervisor Marshall noted that the tax rate will remain the same as last year, \$1.88 per \$1000.00. Sales Tax exceeded expectations this year.

Supervisor Marshall explained why the Supervisors position is no longer a part time position and that is why he would like the salary to jump up to \$39,000.00 from \$21,013.00.

Councilman Baker brought up we need to be competitive in the workplace and an increase for our employees should be 3.5% not 2.5%. Councilman Barnhoorn and Councilman Cornish agreed after a discussion was had. Supervisor Marshall asked us to adjourn so that he can make the adjustment in the budget but noted he does not agree with it.
